

**Ting Orthodontics**  
**Record Policy on Complimentary Consultation**

Welcome to your complimentary orthodontic consultation.

Our team will be performing a CBCT X-ray, iTero Digital 3D scan along with diagnostic facial and intraoral photographs to aid Dr. Ting in diagnosing the best treatment for you.

Patients/Parent/Guardians are not financially responsible for the above mentioned records. However, should you want to purchase these records or have them forwarded to a third party, we require that you sign this official **release of records** form and make payment today.

The fee for the photos is \$75.00 and the fee for the CBCT is \$75.00. The iTero 3D scan is not transferable.
